August 28, 2009 - November 23, 2020

"Ace, Thank you for being my best friend for so many years. I know you are running across the rainbow bridge playing with Gracey and Dudley and that makes my heart smile. You were the most loyal pal a girl could ask for. You will forever be in my heart buddy. Stay close to your brother and sister. I know we will all meet again one day. Love you dear friend.
