

Anakin .

August 15, 2013 - June 5, 2025

A lifetime with you wouldn't have been enough time! I wish I could have ripped open a pocket in space where time and cancer don't exist. You are loved beyond words by so many. You'll forever be our sweet sunshine boy! I know Zelda has been waiting for you for these 3 months. Our world has irrevocably changed, and I'll never forgive this year for taking both pieces of my heart.
