

Arioch

August 15, 2017 - March 31, 2020

I can't thank this little girl enough, she came into my life when I needed her the most. I instantly fell in love with her and just knew that she was meant to be with me. Over the next 2 and a half years she managed to give me the drive to pull myself out of my depression and strive for great things. Everything I did was because I wanted the best for her. She brought us to a better place. I love you so much Arioch... I'm sorry and I will never forget you. Truly you are my favorite hello and my hardest goodbye.
