

Asher Bleu

January 10, 2017 - June 28, 2021

Asher was the most protective, mama loving boy I have ever met. He loved going for walks, rides and on any adventure. Asher loved playing outside with balls, sticks and his favorite---TREATS. He had a good bit of nicknames such as; Boo, Boots, "Mineonly", Sher, Stink, etc. He always wanted to be right where the ma was. He loved to snuggle and play hide and seek. However, Sher was TERRIFIED of storms, trash bags and any loud noise.. poor baby. One thing for sure Asher and I loved and protected one another since day one. He was definitely a ride or die and will be so missed by so many.
