

Augustus Vail

January 1, 2004 - May 1, 2021

Gus came home with me on a rainy evening. He was a rescue who rescued me. Gus was a "talker" who always greeted me at the door with a meow that expressed a wide range of emotions. He was my companion for 15 years who liked to play with ribbons and had a favorite fuzzy ball. Gus was a great cat and a great friend. I miss him.
