

Bagel McDonald

May 17, 2006 - May 22, 2020

8 years ago I found this precious boy just wandering around our neighborhood. I found his owner and they were looking to find him a new home and asked me if I wanted him and the rest is history. Bagel just fit right in our family. Today we said goodbye to Bagel. Our hearts are broken. We chose to not be sad it's over, but be happy that he was part of our life for 8 years. ????
