

Bella Rose

April 17, 2008 - September 15, 2023

My best friend and soul dog of 15 and a half years Bella went over the rainbow bridge Friday, September 15, at around 1230p. She gave me sunshine when I had none. Bella was always there for me and after having her so long, I honestly don't remember a time without her. She followed me literally everywhere. She would take trips with me with no one else wanted to go. She will be forever in our hearts and never forgotten. I love you, sweet girl!
