

Bijou Benoit Busby von Hessler

October 7, 2008 - July 16, 2022

Bijou was the happiest of personalities. He was whelped at Music Box Farm in Oxford, Georgia and was American Kennel Club registered, as well as a member of numerous other Canine Clubs and Societies. Mr. Bijou Benoit was the grandson of J.R., the 2001 top winning Bichon Frise Westminster Dog Show Best in Show Winner. His Father was the award winning Bichon Man in The Moon, and his Mother was the famous Bichon Cher. Bijou was charismatic and had the natural qualities of a show dog. He was a handsome Southern Gentleman with gentile manners. The first time his Dad Robert saw him, he said "This dog will want for nothing," and he didn't, even though the only thing he wanted was to be with his Dads. As a pup he would chase birds and couldn't understand why he couldn't catch them when they would fly away. He wanted to be their friend. Mr. Bijou loved to splash the water out of his bowl, and would stomp his paw when he didn't get his way. We thought everything he did was adorable. He was our child who never grew up. Mr. Bijou was social and had many canine and human friends. He was active in several play schools. He was well traveled and was happily recognized at airports, and his favorite hotels and restaurants. He received his water bowl before anyone else was served. He loved a spa day with a blueberry facial and lavender paw soak. He loved to be carried by his Dads rather than walk. After a short illness, Bijou passed away peacefully, surrounded by his family July 16th 2022, shortly before his 14th birthday. We whispered in his ears how special he was to us as many tears of love were shed. Bijou's love will be

forever etched in the hearts of his Dog Dads, Robert Busby and Dallas Hessler “Until one has loved an animal, a part of one’s soul remains unawakened”-Anatole France

“ *I was honored to be his aunt although we never met. He was loved with a great love. My heart goes out to his dads.*

“ When myself or my daughter Meaghan would look after Bijou while they were on an extended vacation in Florida he was a mush. He loved to be where you were even if you had to be behind closed doors he would let you know he was right on the other side. He loved his dog treats but loved his dad's more. The love they had for him was to The Moon and Back. He will be truly missed and is in their hearts and souls until they meet again.

“ I had the pleasure of meeting Bijou right before his passing. I was his groomer for about a month. He was so sweet and loved to be pampered. He was very cooperative and he loved to be groomed. He will surely be missed.
