

Bridget Kelly

July 20, 2008 - August 13, 2020

Sweet, gentle Bridget was my best friend, a great Nanny to the Grandkids, guardian of the cul-de-sac, a great snuggler, and loved doing everything the family did. She adored going to Funny Bones for dogs, especially all water events. Beaver Crossing Animal Hospital cared for her lovingly in life and in death.

About Bridget Kelly

Species: Dog

Breed: Affenpinscher

Gender: Female

Favorite Toy:

Favorite Treat:

Loved Meaty Bones

Best Trick:
