January 16, 2004 - March 1, 2020

Our beloved son Buddy past away on 3/1/2020. He was 16 yrs old and has been with our family for 15 yrs. Buddy is a wonderful dog filled with love and kindness. We are thankful to God that Buddy was a part of our lives and that we were his parents and caregivers. We trust and have confidence that Buddy is now in heaven and reunited with loved ones. We trust that we will see Buddy again in heaven and be with him. Buddy is now able to run and jump without pain. He is reunited with his creator and waiting to see us again. We love you bunches and bunches Buddy. Thank you for being part of our Andrews family. You are loved and remembered forever.
