

Buffy Buffy Muffin

March 1, 2014 - August 12, 2022

Our best friend went to Heaven before we were ready. On August 5, 2022, we discovered she had cancer in her lungs. Unfortunately, time ran out more quickly than we would have ever been ready for. We adopted her from the shelter in March 2019; she instantly became a member of our family. She had the quirkiest personality and most loyal spirit. She would frantically search for a stuffed animal, a shoe, or even a couch cushion (if she couldn't quickly find something else) before being let outside or being brought back inside. If we left our shoes sitting on the floor, we were always unable to find the pair later that same day as Buffy had most certainly picked one up to carry around & jump on our bed with! She was so happy, so protective, loyal, loving, friendly, quirky, sweet, attentive, and comforting. Our house doesn't feel quite like a home without her "snarfing and arfing" around, as we called it. She was the best dog we EVER could have found. And she came into our lives at just the right time; God knew what our hearts and home needed. Hope she's resting peacefully with all of the other puppies up there!
