

Chewbacca Bear

July 11, 2021

Chewy was a good boy. He had a super sonic bark, but he was a very good boy. I found him when we returned from a trip to Disney, mama didn't know what I had and her first words about him were "WHAT IS THAT?" He loved "being pretty" (wearing shirts and getting brushed), but he was pretty no matter what. I am glad he isn't hurting anymore, but I miss him.
