

Daisy .

October 9, 2009 - February 21, 2023

My beloved Daisy came into my life when she was just 2 months old as a birthday gift for me from my husband. My youngest child was 11 at the time he is now about to turn 25. She was more than just a pet she was family. She was my everything. Losing her is just like me losing one of the children I gave birth to. It is not the same coming home not seeing her little face through the glass on the front door. She was my little "Sugar Momma" she could do nothing wrong in my eyes. I miss her so much.
