

Eeyore Ryan

May 26, 2016 - January 1, 2025

Eeyore was the heart, soul and foundation of our PACK. He had a spirit that was bigger than he was and a smile that would light the room. He loved life almost as much as he loved us and we loved him back. Hes moved on to that wonderful beyond a place of no pain and unlimited cheese.. Where he can look over and watch and keep us we will rejoice in the time and love we gave him and he gave us. We will mourn for the soul that has left us here behind as he watches from above he will always be loved and cherished. Good find Bella and Abbey play hard until we see you again. Love always and dont worry we have the girls covered.
