

Finn Mason

January 29, 2017 - April 23, 2025

Finn Mason passed away due to a brain tumor. He was about 8 years old and was a good dog. He is survived by Cassidy, Nicholas, Jennifer, and Steve. Cassidy was the reason we adopted a dog. She spoiled him shortly after we got him by letting him sleep in the bed with her. Nicholas took him for walks, runs and to meet other dogs. Finn loved to run and he was good at it. He was usually the fastest dog in the park. Jennifer was Finn's favorite person of late. She endeared herself to him by giving him scratches each night before bed. Steve played tug of war, "wrestled", and walked Finn. He will be greatly missed. We thank God that we had Finn for a little while because he enriched each of our lives.

“Finn was a great dog. He loved his family and was very protective of them. He loved to run and play in the water. He always wanted to be at the front of the pack, rushing to the front of whatever walking group he was in after he inevitably fell behind sniffing whatever flavor of grass he found most interesting that day. I remember taking him, Daisy, and Babs to the park and they would just run their hearts out with the biggest look of joy on his face. I am going to miss him a lot.
