

Gracie .

October 26, 2016 - December 10, 2025

Gracie was a smooth red coat dachshund with so much love and sass. She may have been small, but her personality was not! She entered my life in a time when I needed her more than she needed me in fact. I never thought I would be able to have my own children for the longest time. Gracie stayed by my side for 9 years. 9 beautiful years. In April 2025, my daughter, Aubree, a blessing and miracle was born. Gracie got sick with liver failure, but I believe she stayed strong for me until she saw I had Aubree. My heart aches more than I can ever explain. But I know she is in heaven, at peace, enjoying pup cups and digging up gardens rolling around happily!
