

Howie .

March 13, 2008 - June 13, 2021

Howie was my best friend from my mid twenties through my mid thirties. He was a true Mommas boy in all the senses of the word. He will forever be in my heart as the cat who loved lunch meat but wouldn't touch tuna, who only came out for visitors to attack their legs while sleeping in the guest bed but stopped doing it to Momma, who sat with me every day during my pregnancy and welcomed his human sister with open paws. Thank you to deceased pet care for respectfully taking care of my sweet boy, my first baby, and my forever best buddy.
