August 9, 2007 - July 27, 2021

Our beloved Pit, Karma, passed away July 27, 2021, in the comfort of our home. After weeks of battling an illness, Karma was finally given the relief she needed to step across the rainbow bridge. We will miss her dearly, but we know she will no longer be suffering and can finally rest. Karma was forever a lap dog - even though she was way too big to be one. She was very affectionate, and loved to snuggle and give kisses to her favorite humans (and oddly enough, her favorite cats). Her hobbies included barking at invisible things, eating snacks, and grooming on her favorite cat friend. If you'd like to honor Karma's life, please consider donating to your local animal shelter. I can't think of a better way to celebrate her life than helping another dog find a second chance.
