

## Kierstyn Henderson Ragland

December 31, 2010 - July 3, 2025

With broken hearts and immeasurable love, we announce the passing of our precious Yorkie, Kierstyn Henderson Ragland—affectionately known as “Pup-Pup” on July 3, 2025. Born on December 31, 2010, she filled our lives with 14.5 years of pure joy, fierce loyalty, and unconditional love. Kierstyn was so much more than a pet. She was our baby, our best friend, our constant companion through every season of life. She had a personality that could fill a room, a bark that made us laugh, and eyes that spoke straight to the soul. There was never a day she didn’t make better just by being there. She was the beloved fur daughter of Danquel Ragland and D’Edna Henderson, and there are no words strong enough to describe how deeply she was loved. Kierstyn was our travel buddy, our beach explorer, and especially enjoyed traveling on an airplane. Whether flying across the sky, swimming at the beach, or curling up beside us at night, she was always happiest when she was with us—and we were happiest when we were with her. Kierstyn was preceded in death by her loving grandmother, Shirley Kendall Henderson. We take comfort in knowing they are now together again. Our hearts are shattered, but filled with gratitude. Gratitude for every tail wag, every sloppy kiss, every nap by our side, and every moment she chose to love us. She gave us a lifetime of memories, and her love will echo in our hearts forever. We love you, Pup-Pup. More than words can ever say. Run free, swim far, and fly high—until we see you again. Danquel and D’Edna (Kierstyn’s parents) “Do not let your hearts be troubled. You believe in God; believe also in me... I go to

prepare a place for you... so that where I am, you may be also." John 14:1-3

“ Kiersten, the cutest Yorkie ever! I never had the honor of meeting you in person but I definitely enjoyed the moments that your Mommy shared online! I know you made her heart smile and the lasting love and memories shared, will certainly last a lifetime. I was sad to read about your last days but I know your parents find comfort in knowing that whatever your pain was, doesn't exist anymore. Mommy n Daddy, I send hugs of comfort, prayers of peace and smiles to remind you of the joy she brought to you for 14.5 yrs. May God continue to bless and keep you both ❤️
