

## Lacie Pitts

November 1, 2009 - October 22, 2022

For the last 13 years, I had you by my side. When I didn't have anything else, I always had you. I never actually thought I would have to live life without you girl, and letting you go was the hardest thing I have ever done. I still expect to see you when I walk in the door, I still catch myself saying "Wacie girl". For the first time since I was 16, I am having to navigate through this life without you. You were with me through the hardest times of my life. I'm so thankful to know, that you crossed over easily, and your last memory was looking at me, telling you how much I loved you. You were my best girl in the whole world. I hope you knew how much you mean to me. I hope you are finally at peace and resting easy my beautiful girl. I love you to the rainbow and back my Lacie Wacie, a million times. If love could have saved you, you would have lived forever. My life will never be the same without you.
