

Lil" Buddy .

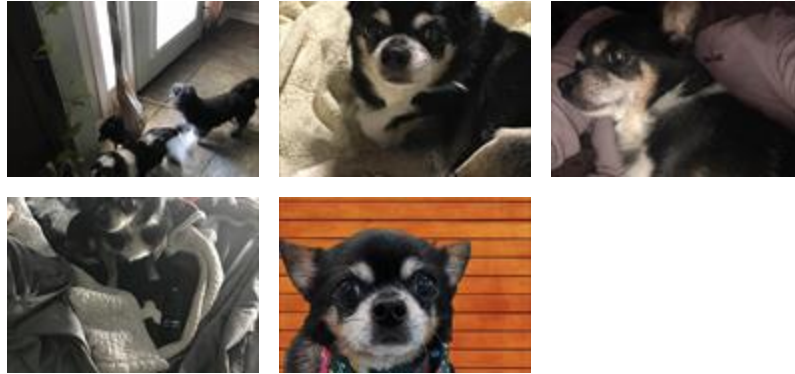

March 12, 2008 - December 12, 2024

I miss my little man so much he brought so much joy to me and his brother. everything seemed to happen so fast. My sweet Lucky left us August 17, 2023 which left Gizzy by himself and he's having a very difficult time without Buddy. I'm so lost I don't want him to grieve himself to death it's so scary I don't know what to do. He want have anything to do with any other dogs he just walk away. He sits and stares at the bedroom door I think he's waiting on them to come back.

Gizzy knew Buddy's time was ending he would lay beside him and give him such a sad look. I don't know when or how we will get over the loss of our 2 boys.

“ He would make me laugh so hard when he kept my grandson's big bulldog from coming in the room it was so funny his little self and little bark making Gator run.
