

Lil' Bits Parker

December 15, 2009 - March 15, 2021

It is with overwhelming heartache that we share the loss of our beloved Lil Bits. Our adventurous and sassy girl was the most incredible of traveling companions and embraced every new adventure like she owned the world. During her charmed life, Bits visited 32 states, 26 National Parks, 2 countries, oceans on every coast, rode co-pilot on 2 cross country road trips, lived aboard a boat for 14 months cruising The Great Loop, and saw more than most kitties could ever dream existed. In her spare time, Bits took great pride in hunting chipmunks and occasionally allowing humans, the lesser species, to gaze upon her beauty as she lay casually in her regal state.

I've always said that in my next life I want to come back as my Kitty. Now, in my next life, I simply want to be WITH my Kitty.

Rest In Peace, my Sweet Baby. You are loved beyond measure and will be missed beyond expression.
