

Lucky .

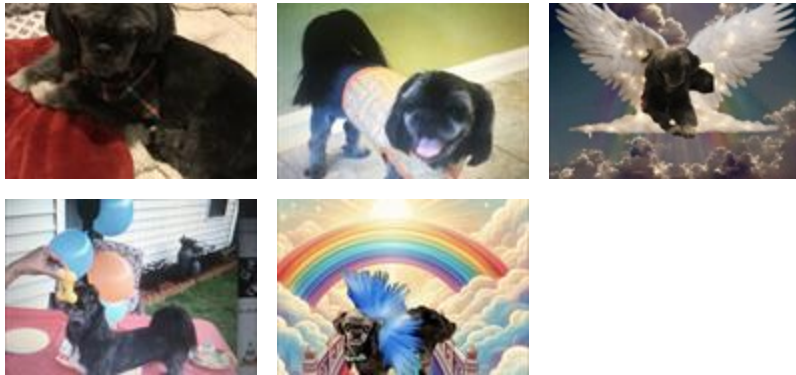

May 26, 2008 - August 17, 2023

Lucky my baby I feel so empty without you. I love you with all ny heart now and forever. You can run and play again with new friends. You brought so much joy in my life, memories I will never forget. Will this be easy? No. I can and must keep my faith that we will meet again one day. It's going to take me awhile to get through this.

“ Lucky we miss you so much. Yesterday November 17, 2023 3 months after your passing your little brother Gizzy was acting really strange. He stayed in the closet and behind the sofa. Even when I called out to him he didn't come out. Suddenly I realized it was November 17. Maybe he is beginning to realize Lucky is not coming back. It was so weird I felt so bad the rest of the day but kept Gizzy close to me. It still doesn't feel right and I don't know if it ever will 😞
