

Lucy Grace

October 1, 2013 - September 28, 2021

Lucy was a sweet girl. She loved her brother, Colby, and is now with him. She was the smartest dog I have ever met, and could tell what you were thinking before you said anything out loud. She loved treats and hugs, we think she wanted to be held like she was when she was a baby. It was so unexpected with her passing, she will be missed, but always loved.
