

Macie

October 4, 2002 - March 3, 2020

On March 3, 2020 my sweet baby girl gained her wings. She was my guardian angel for 17 years of my life and will now be for eternity. I'll always remember the excitement in her beautiful brown eyes when she saw me walk in a room or heard my voice. Her love for water, summer boat rides, children, eating bacon and eggs, running bullets up and down the hallway, kisses from other dogs in the family, and traveling will be just some of the special memories we will keep with us forever. May Macie, we all miss and love you so very much. You lived an amazing life and made an everlasting mark on everyone's life that knew you. Wrap your loving wings around our Maxi.
