

Maya

May 22, 2007 - March 3, 2020

I lost Maya on 3/3/2020. It's hard to explain how much she meant to me. She was the happiest, most joyful dog and loved everyone. Well, all people, she would have been completely happy to be the only animal in existence. She struggled with separation anxiety but I'd do it all over again a 1000x to have her back. I will miss her yelling at me from the top of the stairs when she wanted to go to bed and then being so excited when I listened and came up that she got the zoomies. I adopted Maya in 2010. I was blessed that she shared 10 years of her life with me, and I wish it could have been forever.
