

Miracle Iren Babb- Ballard

July 27, 2017 - May 10, 2023

Everyone that came in contact with miracle was blessed. Even if you were afraid of dogs she made sure she was very gentle. She helped me through a rough time in my life and I will forever have her in my heart. MuMu mama Tam and mama Nitta will always love you. Thank You for being my best friend. Love you.
