

## Molly .

November 12, 2008 - July 9, 2022

Molly was the best thing that ever happened to me. I thought that I had saved her, but really she saved me. My life has been forever changed from the day we met. She is my first pet that I ever had and if someone tells you that dogs do not have souls. They are wrong! She was my best friend who always was happy to see me, always loving, gentle and I could never thank her enough for giving me her all. My heart is broken into a million pieces and the silence in the house is deafening now without the jingle of her tags or the clicking of her nails on the tile. I lost part of myself the day she left me. She took part of my heart and soul with her to the Rainbow Bridge. I know that she is in a better place & I have peace with my decision to let her go. My prayer is that when my time comes she is the first one I see. That is how much this sweet little girl means to me. I cry everyday and still talk to you baby girl. I will always be grateful for what you have given me the last 13 1/2 years You will never be forgotten and I will always love and miss you. Your mom!
