

Mumford .

September 1, 2010 - October 19, 2022

Mumford my sweet baby boy, there are no words to express how much I miss you. You are my support, my companion, my angel. My heart is broken into pieces. I do not know how to make it without you. You are remarkable and funny and smart. You're my "wingdog". You are everywhere with me. You traveled and helped me and so many others along the way. You received your "wing pin" from a Delta Airlines Pilot, and an applause from passengers for your incredible service aboard a plane that helped a child in distress. during a flight. You were simply amazing!!! Now God has given you a new pair of wings and restored your being. I know you are watching over me still. I love you sweet boy and one day, we will be together once more.

I love you Mumford, and my heart is so empty without you. You were such an amazingly attentive and intuitive boy.. You saw no stranger and calmed rowdy children and agitated adults. With gentleness you gave comfort.

*“ It was a special Saturday morning when Mumford came to WW! I always looked forward to those times. He made himself to home , perhaps took a nap with his head resting on my foot....a truly wonderful lil fella'....I will miss him.

“ Mumford was an important part of the Trinity UMC family. I could always count on him to shake his collar loudly at least once a sermon, causing me to smile. I had never served a church with a pup as a member before and I'll never forget sweet Mumford .

Oh Cheryl, I am so sorry to hear about Mumford gaining his heavenly wings. He was a great companion and I know you feel his loss deeply. Just know he is still with you, watching over you. He was such a good baby. My thoughts are with you.

Thank you so much Nancy! It all happened so fast. I never expected that he would not survive the surgery.
