Napoleon was the most handsome, kind, loving boy ever. He put a smile on everyone's face and left a lasting impression. He touched the lives of so many. My heart is broken, but I know he is in a better place without suffering. Napoleon you have forever made my life better!

“ *Never a complaint was uttered-- not even during all of the weekly ear cleanings. Napoleon was in it with you for the long haul and together you always had fun. You have truly lost a dear friend. His excitement for life was a ray of sunshine to all of us that knew him. I so enjoyed seeing him as a puppy and watching him grow up. He was always so sweet! Know I am thinking of you all during this very sad time. Your very special boy made us all smile.*

“ *Napoleon was the reason I decided to get a Basset Hound for myself! Such a sweet boy, always a pleasure to see.*

“ Napoleon was the kindest dog that has ever walked the planet. Not a mean bone in his body. He brought so much joy and fun to everyone around him. He was the life of the party. I remember seeing him for the first time holding him and taking naps with him. He experienced so much in his life and truly lived it up. I will miss you forever Nappsie. Love you forever.

“ Napoleon was such a sweet boy. I still remember his puppy smell from when I first met him. I remember him shouting at the neighbors from the backyard. I remember him giving my kisses and sitting next to me on the sofa when I would visit. I will miss Naps, but I'm glad I know he had a happy, long life.
