He was the best little buddy in the world. Little man loved to swim and sleep on my lap later when he was tired. My constant companion (even though that meant constantly under foot), and sometimes my reason for getting out of bed in the morning. I don't have words to express how much I will miss him and all his sass. Over the years his nicknames included. Pumpkin, Patrick McDoggie, Dogness, Love-love, Love Man, Baby Cakes, and Little Fella just to name a few. Even though I knew it was coming it's still so hard to let go, but we only get to borrow them from heaven for just a little while.
