

Princess -

May 23, 2014 - December 25, 2020

"Princess was a special piece of our lives. She taught us responsibility, patience and love. She was so full of life & energy. Princess came into my life when i was freshman in college we've went through so much together. I'm so happy God sent me this little fur ball of energy. I'm truly going to miss her.
