

Royalti Zion Britten

August 31, 2020 - February 17, 2021

Royalti came in our lives when we needed her the most. She gave us love and kept a smile on our faces. She was always so happy and would run until she couldn't run anymore. She enjoyed the doggie park and her play dates with Rosie. Royalti was the love of my life. Her hugs will be missed. I will never forget my TiTi

Oh my gosh! I just lost my baby Glock. He was a long haired German Shepherd from czechoslovakia. I wish I had one of his puppy pictures to show you. Because he looked just like your Alexis. I'm so sorry for your loss. Alexis was beautiful.
