

Sofie

November 1, 2012 - March 2, 2020

Sofie was a once in a lifetime dog. The most loving, sweet, and fun little dog I have ever had. To know her was to love her. My constant companion, my sweet shadow, my growly little beggar. She always "taxed" whatever I was eating. Her sudden and unexpected death has left a huge hole in my heart and I am utterly heartbroken. I will always love you Sofie, rest peacefully until we meet again.
