

Yngwie Kretz

May 8, 2004 - May 3, 2020

Yngwie was the pick of the litter. In his 16 years he was my trail buddy hiking over 1000 miles with his lil dachshund legs. He was my constant companion and I miss him dearly, but I am so grateful for the years, adventures, and memories I'll always cherish of my lil Yng, named after my favorite guitarist Yngwie Malmsteen. I wanted him to have a unique name no other dog would have. Thank you Deceased Pet Care!
