August 26, 2012 - April 17, 2021

I miss my grumpy boy. You talked and made fun noises during meal times. You howled at sirens and when I would howl. You and I travelled together and you saved me from human predators as well as snakes. You loves snow and water. You were such a good boy, and we miss you every day. Rest in Paradise my boy.

Mommie loves you!!!

Forever
