

Zoe .

April 1, 2007 - March 28, 2024

Zoe was the heart of our home. It is impossible to describe the love her mommy, daddy, and brothers, Henry and Archie, had for her. She was devastated by the loss of her sister Clementine in January, but she continued to love all of us unconditionally as long as she could. Our home is quiet without her silly and rambunctious spirit. She embodied joy, love, and life, and our lives will never be the same without her. Please be at peace, our sweet nugget. We will love you until the end of time. You are safe, you are loved, we are here.
